

FACTSHEET

TITLE: **STREET NAME CHANGE NO. 06003**, requested by Don Thomas, County Engineer, to rename that portion of S.W. 78th Street south of West Walin Lane as "**S.W. 77th Street**", located in Meadow View 1st Addition.

SPONSOR: Planning Department

STAFF RECOMMENDATION: Approval.

FINDINGS OF FACT:

1. This is a request by the Lancaster County Engineer to rename that portion of S.W. 78th Street south of West Walin Lane as "**S.W. 77th Street**".
2. The County Engineer's request states as follows:

In Meadow View 1st Addition, S.W. 78th Street goes from West Van Dorn Street south to West Walin Lane, then after a jog to the east on West Walin Lane, continues south to the south subdivision boundary. On West Walin Lane, between S.W. 78th Street to the north and S.W. 78th Street to the south, there are three lots that could be addressed along West Walin Lane. Since there is a S.W. 78th Street on both ends of this length of West Walin Lane, it is impossible to correctly address these lots.

The County Engineer requests that the portion of S.W. 78th Street south of Walin Lane be changed to S.W. 77th Street. There are currently no houses built in this subdivision.

3. The staff Street Name Committee has reviewed this request and recommends approval.

STREET NAME CHANGE

In Meadow View 1st Addition, SW 78th Street goes from West Van Dorn Street south to West Walin Lane, then after a jog to the east on West Walin Lane, continues south to the south subdivision boundary. On West Walin Lane, between SW 78th Street to the north and SW 78th Street to the south, there are three lots that could be addressed along West Walin Lane. Since there is a SW 78th Street on both ends of this length of West Walin Lane, it is impossible to correctly address these lots.

We request that the portion of SW 78th Street south of West Walin Lane be changed to SW 77th Street. There are currently no houses built in this subdivision.
